JOURNAL
OF
PSYCHOLOGICAL RESEARCHES

Index of articles published from 1957 to 1982

CONTENTS

VOLUME 1 JANUARY 1957 No. 1

Values and personality— *G. D. Boaz*

Quantum field theory and "goal-directed" activity—*C. T. K. Chari*

Human personality as considered by Philosophy—*Indra Sen*

Covert and overt personalities—*T. E. Shanmugam.*

Personality structure of some inmates of the Madras vigilance and rescue homes—*Shrimathy Rajangam.*

MAY 1957 No. 2

Some aspects of creative thinking—*Aram*

Quantum field theory and goal-directed activity—*C. T. K. Chari*

A study of the development of imagination in children—*M. S. Lalitha,*

Musical aptitude and appreciation among high school students—*K. Parthasarathy*

Effect of low socio- economic status on emotional instability—*T.E. Shanmugam*

Sybolism in marriage ritual of the south Indian brahmins—*V. C. Vimala.*

SEPTEMBER 1957 No. 3

Interests in general reading of high school pupils in some English Medium Classes in Madras—*Leela Rao*

Sathayibhava as aesthetic sentiment—*A. S. Narayana Pillai*

Social adjusment of a group of adolescent boys—*E. G. Parameswaran.*

A study of children's fears—*Rajalakshmi Varma.*

Vol 2 JANUARY 1958 No. 1

The step-child-step-mother relationship-A clinical study—*G. D. Boaz.*

Emotional stability of college students--*Abdul Hafeez.*

A study of autocratic-democratic attitudes—*B. C. Muthayya*

Reliability of the Indian adaptation of Rosenzweig P-F. Study (Children's Form) Udai Pareek.

An analysis scheme for group projection test stories---*T. E. Shanmugam.*

A study of accuracy of reproduction of visual Images at various age levels —*Elizaba Zachariah*

Vol 2 MAY 1958 No. 2

Interests in reading of newspapers and magazines—*Leela Rao.*

Co-operation, Competition and group structure—*M. A. Farogi.*

An experiment in memory—*S. P. Adinarayan.*

Sex delinquent women and their fantasies...*T. E. Shanmugam.*

A simple apparatus for testing performance punching test...*Durganand Sinha*

Vol 2 SEPTEMBER 1958 No. 3

Motivation and productivity...*S. K. Bose.*

Improbable test scores...*A. E. Harper.*

Age differences in verbal learning...*S. P. Mythili.*

Age changes in some aspects of adolescent adjustment...*E. G. Parameswaran.*

Vol III JANUARY 1959 No. 1

Editorial notes

Indian thought and modern psychology...*G. D. Boaz.*

A critique of the methodology of studying parapsychology...*S. K. Bose.*

Studies in psychomotor abilities...*G. Jayalakshmi*

Bhagavad Gita and mental health...*B. Kuppuswamy.*

A preliminary design for a study of Level of Aspiration...*B. C. Muthyya*

Book Reviews

MAY 1959 No. 2

The first step towards establishing psychological study in India...*H. N. Banerjee.*

An economical method for rotation of multiple factors to a simple structure
Dr. S. Jalota

A study of the concept of physical casuality in children attending nursery school in Delhi...*Prem Pasricha.*

Children's fears through picture projection...*Rajalakshmi Varma.*

Leadership in a melting pot... *Sinha and M. Bose*

SEPTEMBER 1959 No. 3

The Gestalt concept and acculturation...*U. R. Ehrenfels*

Correlation of tests of psychomotor ability with intelligence and non-motor tests...*G. Jayalakshmi*

IS "Stenquist mechanical assembly test" a test of "ability" or mechanical aptitude?...*Ramnath Kundu*

Certain aspects of work curves...*R. Rath*

An empirical investigation of job analysis, reliability, methods and results
K. N. Sharma & P. N. Kalra

Vol IV JANUARY 1960 No. 1

Efficiency of the ishihara plates in distinguishing defects of colour vision ...*RHEA S. Das.*

Origin of sociometric rejection...*M. A. Farogi*

An investication of depressive character--traits and symptoms in adult neurotics *Anand Hazari*

Intelligence and family size of secondary scool pupils in Rajasthan ...*Prayag Mehta*

A comparative study of the effect of group pressure on visual estimations with and without reference to actual values of the presented stimuli *P. K. Mukhopadhyay and R. Mazumdra*

A note on the Madras intelligence test...*M. A. Faroqi*

MAY 1960 No. 2

Editorial Notes

A work study technique for non-repetiitve work : Development, reliability, y...*B. S. Bhagoliwal*

The Concept of mind-cyril Burt

Adjustment problems of married and unmarried women teachers...*Rama Devi*

Lecture and individual instructions as methods changing food habits *A. K. P, Sinha*

Four-fold cutaneous sense-response of idiot subjects...*Subimal Dev*

Table of percentages and proportions *Sushil Kumar*

SEPTEMBER No. 3

The Psychologists concept of mind...*Edwin G. Boring*

The stability of raven's coloured progressive matrices scores for selected children...*Anandi Hazari*

Cognitive controls and primary processess...*Robert R Holi*

Scientific Psychology in the soviet union...*Prof. Alexei Leontyeu*

Reliability of a new picture-frustration study...*B. C. Muthayya*

Comparison of the performance of Engineering and Non-Engineering students on a test of spatial ability...*K. N. Sharma and P. N. Kalra*

Vol V JANUARY 1961 No. 1

The concept of mind...*John Cohen*

Standardization of maudsley personality inventory (M. P. I.) on an Indian population...*Gita Das*

Qualities desirable for Engineering students and profession I...*Durganand Singha and Hemkanta Misra*

Interest pattern of postgraduate and undergraduate students...*R. G. Chatterjea*

Perception of attitudes...*H. S. Asthana*

Book review-Children's reactions to frustrations

Vol V MAY 1961 No. 2

The concept of mind ; A behaviouristic approach...*H. J. Eysenck*

The method of ranks in sociometric scaling...*M. A. Farogi*

Qualities desirable for success in engineering students and profession ...II *Durganand Sinha and Hemkanta Misra*

A motion and time-study Experiment...*KPBhattacharyya*

A study of reaction to guilt feeling...*Nazre Kaalique*

Asthana's adjusment Inventory : re-studied...*Pramod Kumar*

Rorschach ranking conformity test : A revision and evaluvation ...*Anandi Hazari and S. N. Sinha*

Vol V SEPTEMBER 1961 No. 3

Practice effect in the estimation of short temporal duration ...*R. G. Chatterjea and A. K. Sirkar*

Construction of a table for estimation of Item validity Indices in terms of Davis discrimination for criterion groups based on median split ...*S. Chetterje and Manjula Mukerjee*

The structure of the psyche and the personality view of man : A critical study of the depth-psychology of C. G. Jung...*J. Goldburner*

Value and personality...*S. V. Kale*

A study of insecurity feeling and anxiety in step-children and non-step children...*Nazre Khalique*

Computation of tetrachoricr : A comparison of three methods...*Ramanath Kundu*

On optimal point of section on a linear scale...*R. K. Mathur & S. N. N. Pandit*

Conditioned emotional response in the rat : Effects of stimulant and depresent drugs...*S. D. Singh*

Vol VI JANUARY 1962 No. 1

A scale for the measurement of subjective duration...*Amal Kumar Mallick*
Latent personality content of juvenile deliquments...*Alok Kumar Majumdar and Arunangsu Bikash Roy.*
Topography of a group...*B. DE and J. P. Sinha*
Recent method for attitude measurement...*Gorachand Kundu*
An Informational view of mind...*J. P. Guilford*
Development of a tool to appraise socio economic status...*R. M. Verma*
Standardisation of jalota's general mental ability test on the nepalese population ...*Ram Ekwal Pandey*
Ethical discrimination as related to intelligence age and sex-A study of moral development in children...*P. Rajalakshmi Verma*
Heredity and enviornment in the development of mental activity...A research by the psycho-statistic centre in palemro university.
Silver Jubilee volume vidhya bhavan society udaipur...*Ed. P. S. Naidu*

Vol VI MAY 1962 No.2

Testing A scholastic test...*Anima Chakraborty*
On the factor-annalytic study of Examination scores...*Asitprakas Basu*
On the proper consciousness (koyu-ishiki) tanenari chiba
Decision time in relation to personality...*M. A. Farogi*
On grouping for alikness of achievements...*P. K. Mathur and A. K. Gayen*
The S. V. U. personality scale...*S. Narayana Rao*
Correlation of A. S. reaction test scores with ratings on asceadance-submission behaviour of adolecents...*E. G. Parameswaran and M. L. Shanthanam*
Comparision of the responses obtained by two psychophy-sical methods and those obtained simultaneous and successive presntations...*K. N. Sharma*
Relationship between general-intelligence and manual dexterities *P. S. Vivekananthan*
Anxiety in masurbaters and non-mastur baters...*Nazre Khalique*

SEPTEMBER 1962 No. 3

Interest in pattern of school teaches...*R.G. Chaterjee and G. B. Saha*
Relation between kuder preference record and a non-verbac interes inventory modelled after it to soit Indian condition...*S. Chatterjee and Majula Mukerjee*
The relationship of concept meaning to achievement in college...*David R. Cook*
A study of social distance in a Group...*B. DE & J.P. Sinha*
Stereotypes of four Hindu castes about each other...*P. Natraj*
Differentiai ideal self-image of Engineering students...*H. K. Misra*
Level of aspiration and intelligence of high achievers and low achievers In the scholastic field...*B. C. Muthayya*
Some special aspects of a standaıdized achievement test in science...*K. N. Saxena*
Factor analysis of Jalota's general mental ability test standardized on the nepalese population (II)—Ram Ekwal pandey.
Principles of applied psychology...*A. T. Poffengberger*
A psychological study of the students of osmania university...*N. Yadagiri Reddy*

Vol VII JANUARY 1963 No. 1

A critique of the cybenetic approach to mind...*C. T. K. Chari*
Selection of situations for a personality test based on movie pictures...*S. L. Dass*
Qualities desirable for engineering students and profession...*Durganand Sinha & Hemkanta Misra*
A study of authoritarianism and its relation with tolerance of ambiguity and Tolerence of frustration in four groups...*G. U. Gupta.*
Behavioural associates of hypnosis...*J. P. Das.*
An investigation in to the relationship between intelligence and memory ...*Ramnath Kundu*
Effect of practice on test score...*Manjula Mukerjee*
Papers on industrial psychology...*A. Symposion.*
Tests in print...*Ed. O. K. Buros.*
Motivation and morale in industry...*Morris S. Viteles*
Research abstracts.

MAY 1963 No. 2

The statue with A sense of smell is whimsy...*Gardner Murphy*
Comparision of performance in algebra of Lucknow and richmond (U.S.A.) students...*Pratibha Deo.*
The role of mental set on two-point tactual threshold perception ...*Anima Chakraborty*
Extraversion, neuroticism, and conformity behaviour...*S. D. Singh.*
Indian women and her attitude to traditional values...*B. Rama Devi.*
"Escape valence' in the study of exploratory behaviour of albino mice in the laboratory...*M. M. Rahman*
Intercorrelation between sub-tests of a verbal test of intelligence and their relative contribution to the total score....*H. S. Eswara & A. M. Srikanta Rao.*
A study of bilateral transfer on a mirror drawing task in the old and the young ...*P.V. Ramamurti and E. G. Parameswaran.*
Research abstracts.

Vol VII SEPTEMBER 1963 No. 3

On the meaning of objective psychology...*D. O. Hebb*
Item-analysis of a new neurotic personality inventory...*Ramnath Kundu*
Confirmation of guilkford's generalised psycholo physical law...*Amal Kumar Mallick*
Prediction of academic achievement of students in an engineering college *S. Narayana Rao.*
The factor of consistency in the pattern of participation in small groups ...*Amitava Chatterjee*
Standardization of revised adjustment inventory (part II female sample) *Promod Kumar*
A comparative study of tension between religious groups and between caste groups as revealed in the form of stereo-types...*P. Nataraj*
A study of attitudes of adolescents towards religion...*T. S. Rao*
Research abstract

Vol VIII JANUARY 1964 No. 1

An informational—theoretical test for familiarity with a foreign language ...*Gift Siromoney*
A simple method of scoring a social distance scale...*Prem Shanker*
Effect of need on perception...*Biswanath Roy*.
A study of figure reversals in the old and the young...*P. V. Ramamurthi & E. G. Parameswaran*
The R test of intelligence...*N. R. Warhmdpande & B. L. Sethi*
The role of the familiarity-gardient in recognition...*S. Suder Das*.
A study of certain personal qualities as prefered by college students in their marital partners...*B. N. Singh*

MAY 1964 No. 2

The need for competition among Indian college students...*Irwin Mahler and Chand Behari Lal*.
Influence of praise and blame on change in self-concept...*Prathibha Deo and S. K. Bhalla*
Development of an adjustment inventory for use with adolescents...*N. Y. Reddy*.
Factor analysis of Hundal "General mental abitity" test for grade level *P. S. Hundal and Bacbir Singh*.
Paired-associative leerning as a function of first letter of similarity...*Anandi Hazari & Mani Shankar Prasad*.
Error in reproduction of tactually perceived distances between two aesthesiometric points...*Anima Chakraborty*.
A study adjustment problems in maturbaters...*Pramod Kumar*
Another device for the study of kinesthetic figural after-effects...*Satinder K. Paul*.
Book—reviews
Research reading
Bargaining behaviour.

Vol VIII SEPTEMBER 1964 No. 3

The structure and function of time perspective...*Robert Kastenbaum*.
The relation between overlearning and reversals in probability learning *Panda K. C. and Das. A. P.*
Development and use of 'directions test' for measuring degree of bilingualism ...*T. S. Rao*.
Matrices score with time limit and without time limit and its relationship with multiplications score...*Ramnath Kundu and Anima Sen*.
Vocational interests of leaders among adolescent school boys...*T. N. Govindarajan*.
Measurements of attributes of verbal materials : A furrher analysis of meaningfulness of cues...*Kanungo & K. C. Panda*.
Anxiety related to sociometric choices of students...*V. M. Sarma*.

Vol IX JANUARY 1965 No. 1

The relationship of chronological age, and mental age ...*Marian B. Price and Graham B. Bell.*
Effect of interpolated recall on recognition of schematic faces...*V. K. Kothurkar.*
Conventionalism or anti-feminism...*S. Chandresekhar Sarma.*
Validation of an anxiety scale...*Durganand Sinha.*
Recall of nonsense material in intentional and incidental learning...*S. Narayana Rao.*
A comparitive study of psychological scaling methods...*R. K. Mishra and P. K. Dutt.*
Discrepancy between future and past performances...*Shashilata Verma.*
Attitude measurement by two projective tests...*Shantha Mathur & S C. Sharma.*
Sex differences on a series completion test...*A. Krishna Kanth.*
Validity of the sociometric scale...*M. A. Farogi.*
Book reviews

Vol IX MAY 1965 No. 2

A factorial study of verbal and performance test of intelligence...*P. S. Hundal*
An analysis of anxiety areas and manifestations : A factorial study *Durganand Singh.*
A comparitive study of two methods of test-selection and weighting *Satyanarayanah Gosh.*
Economic class and images of rich, poor and self in DAP...*Ashis Nandy & Ship K. Mitra.*
Influence of age on meaningfulness...*K. G. Agrawal.*
Applicability of clinical variables to normal population : confirmation of Eysenck's theory...*K. Devadasan.*
Effect of set on verbal learning task...*R R. Borude*
Determinants of social relationships in a higher secondary class ...*Jitendra Mohan & Vindhu Mohan.*
Some correlates of achievement motive among high and low achievers in the scholastic field...*B. C. Muthayya.*
Book reviews.

Vol IX SEPTEMBER 1965 No. 3

Late professor G. D. Boaz
Some aspects of interpersonal perception...*Manjuli Gon.*
A comparison of English speaking and non-English speaking nursery children in English medium schools in India...*Kamala Patel.*
Self-perception and achievement motivation...*Bisna Nath Mukherjee.*
An investigation into the awareness of mistakes in short-term Memory *S. Sunder Das.*
Attitudes of the university students toward religion...*N. K. Dutt.*
Determiners of social intelligence-an opinion analysis...*Tapati Roy.*
Dimension of social desirability in Q-sort measure of self-ideal congruence in university students of Patna...*G. S. Mohanty.*
Ego- identity among high school adolescents...*J. L. Pandit.*
A comparison of performance of tribal and non-tribal boys of Tripura on five performance tests...*Neera Chattejee*
Research in progress
Book review

Vol X JANUARY 1966 No. 1

Reversibility of the effects of a patterned variable interval schedule ...*Bishwanath Mukerjee.*
A study of parental role-perception in siblings...*E. S. K. Ghosh and Durganand singh.*
Noble's m and the meaning of work...*B. Kuppuswamy & K. G. Agrawal.*
Reactions toward a public scheme for residential quarters-in a municipal town...*R. N. Agrawal.*
A study of anxiety level and the effect of practice on mental work ...*Bimal Prasad Roy and Kamalesh Kumar sinha.*
Comparison of a non-verbal interest inventory with its verbal equivalent ...*Pritam Rohila, S. C. Shankhdhar & Vijay sharma.*
Certain personal factors in student leadership...*promod Kumar.*
A study of sex differences in neuroticism among college students...*P. Nataraj*
Proceedings of the twelfth Madras psychology conference organised by the Madras psychology society on the 13th and 14th November, 1965, at Madras.
Presidental address...*Dr. T. E. Shanmugam.*

Vol X MAY 1966 No. 2

Measurement of social distance and its change with a new projective test ...*Pratibha Deo Asha Arora.*
Extinction and spantaneovs recovery as a function of direction of shift in abbreuiated intermittent schedules...*&ishwa Nath Mukherjee.*
A test battery for second language attainments...*T. S. Rao.*
An analysis of the secondary school students view and evaluvation of educational objectiues...*Kukumar bose and subas chandra Basu.*
Accuracy in thinking as a function of mood...*K. Devadasan.*
Background experiences and sociometeric choice...*S. N, Manocha.*
Reply to Rohila and others...*S. Chatterji.*
Books reviews.

Vol X SEPTEMBER 1966 No. 3

Rorschach correlates of the Taylor's manifest anxiety scale for a group of normac people...*Sarla pratap & James Filella.*
Instincts and their vicissitudes-a discussion of ethological models...*Edgar Howarth.*
A comparative study of leaders and non-leaders among peoples in secondary. schools...*George & P. A. Abraham.*
Retroactive inhibitions in learing of school material...*V. Rukma rao.*
A non-language test battery for predicting primary school success...*Sushila singhal.*
Study habits of industrious studants...*J. N. Joshi & Supershan chaudhari.*
Factors in group-task motivation...*M. A. Farogi.*
Research in progress.
Book review.

Vol 11 JANUARY 1967 No. 1

A comparativo study of fears in children...*Usha Rani Sidana*
Self-disclosure in urban and rural students.. *J. G. Tiwari and Sultan singh.*
Effect of motivation and achievement on psychological time in rural and urban subiects in India...*Robert D. Meade and Labh singh.*
Study habits of science and art students...*Suseela kumari Nyas.*
Birth order and sex differences in n-achievement and affiliation...*Jai B. P. Sinha.*
A study of the relationship between the rate of learning and achievement motive among high school boys...*S. Lakshmi.*
Autocratic-democratic attitudes and achievement motive...*B. C. Muthayya.*
The problem of criterion based on binominal distribution...*T. K. Chakrapani.*
World leadership-a formula...*T. N. Govindarajan.*
Some data on the Maudsley Medical Qustionnaire in Hindi...*K. G. Agrawal.*
Book reviews.

Vol 11 MAY 1967 No. 2

Intelligence and student leadership...*Pramod Kumar.*
Conformity in youths to parental religious beliefs...*J. G. Tewari and R. P. Singh.*
Neuropharmacological aspects of recticular activation...*S. N. Sinha.*
The development of non-language test of verbal intelligence *S. Chatterji and Manjula Mukerjee.*
The meaning of work 1-A faetorial study...*B. Kuppuswamy and K. G. Agrawal.*
Experimental myopia...*Ija N. Kovneu R. C. Tripathi.*
Some models for assessment of intelligence and scholastic attairment...*R. S. Das.*
Book review.

Vol 11 SEPTEMBER 1967 No. 3

A study of relationship among certain adolescents areas of adjustment *A. Kakkar.*
Certain correlates of study habit...*Chittranjan N. Daftuar.*
Parental socio–economic status of college students as a variable in neuroticism, anxiety and hostility...*G. S. Mohanty*
The meaning of work-III urbanization...*B. Kuppuswamy & K. G. Agrawal.*
Sex differences among secondary school pupils in Kerala ...*E. I. George & P. A. Abraham.*
Personal factors in authoritarianism...*L. I. Baushan.*
A study of the effect of first-task learning upon transfer *N. P. Singh & B. N. Jha suman.*
Perception of human relationship as a function of inter individual distance *I. N. Korner & R. K. Misra.*
variation of retention with time-a new mathematical equation and its basis *R. C. Srivasthava, P. D. Bhatnagar & S. G. Mathur.*

Vol 12 JANUARY 1968 No. 1

Indiscipline : a survey of students opinion ;*Reba Banerjee.*
A junior personality Inventory...*Vidhu Mohan S. D. Singh and Sushma Kalra.*
Personality types and social persuability...*P. K. Srivastua.*
Perceptual senstivity to completed and incompleted tasks : a replication ...*Surinder Oberai.*
Superstition and personality...*J. S. Jawanda.*
Letter structure, association value, rated meaning fulness and pronounceability ratings of some cvc trigrams and meaningful words...*R. R. Borude*
A study of the relationship of anxiety with age and professional hierarchy ...*N. K. Dutt.*
Normative data for guilford-zimmerman temperament survey...*G. C. Gupta.*
Mann-whitney V test-way of computation and new way of interpretation ...*A. Sree Kumar*
A case for verbal-frustration test (v-ft)...*B. C. Muthayya & Lalithmbal*

Vol 12 MAY 1968 No. 2

The mas without the "buffer" items...*B. N. Singh*
The role of intelligence and levels of instruction on the development of numerical ability in pupils at the junior secondary stage...*J. N. Joshi*
Validation of the neuroticism scale questionnairs throguh anxiety manifestations ...*K. Kapoor & S.D. Kapoor.*
Test of dependence proneness...*Jai. B P. Sinha*
Positive and negative self-references in high and low anxious subjects during free verbalization situation...*S. N. Sinha & L. N. K. Sinha*
On extremes of personality adtustment as measured bv adjustment inventories ...*J. G. Tewari & J. N. Twari.*
Rationale of criterion based on binomial distribution...*B. Prasanna Rao.*
Norms for the x grade on advanced progressive matrices (1962) and some correlates of intelligence...*V. S. Tamhankar.*
An electronic computer program for multiple regression analysis ...*Velpuri Sakuntala.*
Development of new types of tactile and auditory projective test.

Vol 12 SEPTEMBER 1968 No. 3

Determinants of educational choice-behaviour of adolescents (13-1ôyrs) ...*V. P. Bhargava & Labh singh.*
Dependence proneness and perceived problems of adjustment ...*J. Panddy & J. B. P. Sinha.*
The consistency of IQ scores...*S. B. Kakkar.*
The relationship of the WISC to the progressive matrices...*K. K. Mehrotra.*
Trade achievement tests...*S. N. Roy and Indrajit Datta.*
Variance in verbal intelligence due to different instruction media ...*Arun K. Ganguly.*
Pro-active inhibition as a function of inadequate consolidation of original learning of a similar language at the primary stage...*S. N. Sarkar.*
Background experiences and socio-metric choice II...*Satinder N. Manocha & Santosh jain.*
Personality structure of engineering students...*S. K. Pal.*
A study of personality and achievement motive of backward and normal children...*B. C. Muthayya & S. Rajeswari.*

Vol 13 JANUARY 1969 No. 1

Self- concept types by Q-technique—*Pratibha Deo & B. S. Hundal.*
Reaction to frustration and student leadership—*Pramod Kumar*
A study of some correlates of superstition...*Ved Parkash Gupta.*
The effects of age and eduation on the general ability of young children *Sushila singhal*
Some personality traits under-different socio-cultural status groups...*R. N. Verma & Shashilata Verma.*
A resolution on the personality make-up of some institutionalised physically handicapped children by the childrens apperception test-*Sukumar Bose, & Surendra N. Banerjee.*
A study of scores on JPI...*Vidhu Mohan & Prem Purang.*
Role of meaningful distraction on performance with special reference to age and sex difference...*M. C. Agarwal & D. N. Srivastava.*

Vol 13 MAY 1969 No. 2

A study of anxiety and judgement of facial expression...*Arun Kumar Varma.*
An empirical study on the comparison of different methods of obtaining single-trial reliability estimtaes—*Sudhir Datta*
Index of industriousness...*J. N. Joshi*
An evaluvative study of new culture- intelligence test...*Tilak R. Chawla.*
Rigidity picture test...*L. D. Rabindradas*
Quantitative study of - n achievement n-affiliation and n power among discipline and indisciplined students...*M. M. Siddigi & S. Sultan Akhtar.*
Reminiscence as a function of personality and motivation...*Jitendra Mohan & Neelam*
Size of family and its relationship with the behaviour difficulties of children *Rajalakshmi Muralidharan.*
A measure of humours and its relation to intelligence...*B. C. Muthayya and M. Mallikarjunan*

Vol 13 SEPTEMBER 1969 No. 3

Mental disorder according to religion and status—*Satish & C. P. Singh.*
A cross-cultural replication of the n-achievement arousal experiment—*Vasant S. Thamhankar.*
Utilization of aptitude test scores in combination with school examination *S. Chatterjee & Manjula Mukerjee.*
Semantic differential measurement of the Bengali meaning system—*Rhea S. Das*
Nature of induced opinion and its retention over time—*Mirza S. Saiyadain.*
An empirico-critical study of the index of industriousnoss—*Amar Singh Dhaliwal.*
A problem inventory for older people—*P. V. Ramamurthi.*
Psychological determinants in the choice of journalism *S. N. Roy*

Vol 14 JANUARY 1970 No. 1

Social alienation and reintegration...*O. H. Mowrer.*
Anti-french and anti-negro attitudes of English-canadians...*Urich Ferdinand & Robert H. C. Stewart*
Achievement motivation and risk-taking in kindergarten children...*Praful N. Dave.*
An investigation into the interest patterns of the students in science, humanities and commerce streams at the higher secondary level...*Utpala Bose S. Singha, S. Chatterjee & Manjula Mukerjee.*
Attitude of students toward world-mindeness...*R. C. Sinha.*
Relationship between intelligence and certain other variables...*V. S. Shanthamani.*
Communal stereotypes in Kerala...*E. I. George & V. George Mathew.*

Vol 14 MAY 1970 No. 2

Comparion of personality attributes of high and low authorritan student teachers *T. N. Raina.*
A study of anxiety and some correlates-*N. K. Dutt*
Influence on difference on test scores...*R. B. Tripathi.*
A study of student-teacher relationship in terms of value incorporation ...*Ramesh C. Dixit and D. D. Sharma.*
Presidential address...*T. E. Shanmugam.*
Creativity in industry...*C. R. Pasamesh.*
Social psychology of industrial negotiation...*M. A. Faroqi.*

Vol 14 SEPTEMBER 1970 No. 3

Prestige suggestion in high and low anxious subjects...*H. Ojha & S. S. Jha.*
An experimental study of question bias...*A. S. Patel.*
A study of certain socio-economic variables as related to adjustment in old age *P. V. Ramamurti.*
Some differential personalitv variables of smokers and non-smokers *L. N. K. Sinha and K. P. Krishna.*
A study of dependence proness, religious belief and internal-external control dimension...*U. D. Pandey.*
Interrelationship between two dimensions of assessing self-concept...*Sagar Sharma.*
Creative, critical and power motivations of high and low creative students ...*Maharaj K. Raina.*
Construction of a perceptral simplicity-complexity test—*T. R. Chawla.*
An experiment in phonetic symbolism...*R. R. Borude.*
Further validation of comprehansive test of anxiety *K. P. Krishna.*

Vol 15 JANUARY 1971 No. 1

A study of variability in concept formotion with age, sex and locality *S. L. Misra.*

A study of factors underlying pairing of adolescent girls...*Sudha Malhotra.*

A comparitive study of personal variables and attitude of heavy and mild smokess *L. N. K. Sinha & K. P. Krisnha.*

Differential values of high school and university students and teachers *Ramesh C. Dixit & Deo Dutt Sharma.*

A study of world transformation—*R. E. Pandey.*

A comparison of the marks obtained by student teachers offering English and Hindi medium...*T. N. Raina*

Personality adjustment and compatibility of vocational interest and choice of courses...*P. V. Ramamurthi & K. Prabhakar.*

Exploitative manipulative orientation as an other aspect of authoritanian personalfty...*S. Qumas Hasan.*

Validation of junior personality inventory...*Vidhu Mohan and Raj Raman.*

A rejoinder : The criterion based on binominal distribution revisited...*B. Prasanna Rao*

Discriminant function analysis—A technique for clasification...*E. J. Raman.*

Psychology in U.S.S.R....*T. E. Shanmugam.*

A Note on family size,birth order and intellience...*B. DE, R. Singh & P. Sinha.*

Vol 15 MAY 1971 No. 2

The effect of sex and culture on achievement motivation, religious beliefs and religious practices...*Uma Dutt Pandey and Ranjit Prasad Singh.*

Factor Analysis of a selection test battery...*Tapen Basumallik.*

A study of the eacapist attitudes in post-graduate students...*M. K. Dutt.*

Relationship of self-concept and anxity...*Pratibha Deo and Sagar Sharma.*

Studies in colour symboliom : 11 affective meaning of colours...*K. G. Agrawal*

Direction of aggression and reaction-type in relation to personality adjusmet ...*Ruby Sinha.*

A socio-psychological sfudy of tribal adolescents of the darjeeling hills *Sukumar Bose.*

Effect of smoking on output in leather industry... *N. Srivastava.*

A study of leaders and isolates among college students...*Mohan Mathew & M. Karunakaran Nambiar.*
